Chicago at Boston.  
Detroit at Baltimore.  
St. Louis at Washington.

The annual field day of the Akron High school, to be held at Fountain park, Friday, will be the event of the season at that institution. The school will close and all the students will turn out, and there will be a big parade through the city before proceeding to Fountain park. The Eighth Regiment band will take part; there will be an automobile parade in which most of the machines in the city will take part, the students of the school will all march, and it is expected that there will be a great crowd at the park. Winners from these contests will be sent to represent Akron at the interscholastic meeting to be held at Cleveland, Saturday.

Good work is expected from the Akron boys, as some school records in the various events have already been broken in practice. Judges will be selected who know their business well, and Friday will be a gala day in the history of High school athletics. The program of events will be as follows:

Running high jump, 100 yard dash, 220 yard run, 440 yard run, 880 yard run, pole vault, throwing hammer, putting shot, standing broad jump, running broad jump, 1/2 mile bicycle race, one mile bicycle race, five mile bicycle race, 1/2 mile relay race, hop-step-and-jump. The events will begin at 1:30 and the program will be varied by music by the band.

A long list of prizes consisting of two for each event has been offered by local merchants.

LOOKS BAD FOR WERNERS.  
The games between the Werners and the Barbortons do not seem to leave a great deal to hope for, for the Akron part of the contesting teams, in the present series. Werners are practicing hard, however, and hope to be able to beat their opponents in at least one of the three games which are to be played. The grounds at Summit lake park, where the Werners will play their home games this season, have been rolled and made smooth for the work, and Akron has more grounds, and more teams doing

active work than ever before.

BUCHTEL-MT. UNION.  
The base ball team of Buchtel and Mt. Union will clash here on Buchtel field, Friday. Mt. Union has not played many games against an Akron college team since the days when Buchtel was at the top with regard to athletic events, more than ten years ago. Base ball spirit among the young men at Buchtel this spring has not been especially active, those who would play claiming that the support they received from the college did not warrant a great deal of effort in the direction of base ball. A team has been formed, however, and some games have already been played. The Mt. Union game promises to be interesting.

JEFFORDS WON.

Philadelphia, May 21.—Jim Jeffords knocked out George Arbuckle last night in the fifth round of what was to have been a six round go at the Central Athletic Club.

Arbuckle did not show even ordinary ability. Jeffords sized him up in the first four rounds. In the fifth he put Arbuckle down and out with a left hook to the jaw.

JENKINS AND WITTMER MATCH-ED.

Cincinnati, May 21.—Tom Jenkins, the champion catch-as-catch-can wrestler of the world, and Charles Wittmer of this city, the champion Gracie-Roman wrestler, have been matched for a mixed style contest at League park on the afternoon of Decoration day. Wittmer, who is now lighter and faster than at any time during the last ten years, has resumed active training.

EAST AKRON VS. KENT.

The East Akron base ball team has been in Kent today, where a game was played against the Kent team. The Kenties have already been playing some fast ball, and it is predicted that they will give the East Enders a warm tussle for the victory.

PUGS INVADING ENGLAND.

London, May 21.—There promises to be a big boxing boom in London, which is being invaded by American pugilists. Tom Sharkey, Eddie Connelly and Kid McFadden are the latest to arrive. Others are expected shortly.

The National Sporting club has arranged a big boxing program for coronation week. Some enterprising Americans are organizing a coronation tournament to take place in Albert hall. The National Sporting club has matched McFadden to meet J. Williams, who defeated Pedlar Palmer for the bantamweight championship of

England some months ago, but who himself was beaten at the National Sporting club Monday last at the hands of one Andrew Tokell.

The latter was offered the chance of meeting McFadden, but forfeited it, owing to an attack of swelled head.

SOME GOOD BOWLING.

The All Akron and the Tip Top bowling team, the two teams which will represent Akron in the Cleveland tournament, bowled on the Kirkwood alleys Tuesday night. The All Akron team was in rare form and rolled two 300 games. Their scores were—862, 915, 935. The Tip Top team went up in the air after the first game and their rolling in the two succeeding games was off color. Lewis of the All Akron team rolled three fine games. His scores were—212, 214, 211. The teams will go to Cleveland, Thursday, to compete in the tournament.

## SLIGHT ERROR

In Mittimus Sending Negro Cooney to Penitentiary.

(Special Correspondence.)

Columbus, O., May 21.—In the hurry in making of the mittimus sending Charles Cooney, who committed assault upon Miss Moore, to the penitentiary last night, he was sent up for only 20 years, when it should have been 25. The mistake was discovered at the prison and the paper sent back for correction.

## PRESBYTERIANS

Will Listen to an Address by Roosevelt.

Washington, May 21.—President Roosevelt, accompanied by Secretary Cortelyou, Dr. Urie and a stenographer left yesterday on a private car over the Pennsylvania for New York, where the President delivered an address last night before the Presbyterian Board of Home Missions at Carnegie hall. The party returned on the midnight train to Washington.

## EXAMINATIONS

For Government Positions to be Held Soon.

Congressman Chas. Dick has sent to newspapers of the Nineteenth district announcements of the examination of candidates for appointment in the corps of civil engineers of the navy to be held May 26, at the navy yard in Washington, and also concerning the examination to be conducted by the United States Civil Service Commission for the position of cadet in the revenue cutter service. The latter examination may be taken in Cleveland, Columbus, Toledo, Cincinnati, or Ironton, O. Candidates for the corps of civil engineers must be not less than 27 or more than 35 years old. Candidates for the revenue cutter service must be not less than 18 or more than 25 years old.

## COOLER.

Perceptible Drop of the Mercury Since Monday.

Monday was the hottest day of the year. The mercury in the thermometer at Buchtel college climbed up to 87. This temperature was recorded late in the afternoon. On Tuesday 82 was the limit recorded. The rainfall Monday night measured six-tenths of an inch.

The temperature dropped perceptibly Tuesday night and Wednesday was slightly cooler than normal.

## Tired

It is a good thing to be tired when it's the healthy all-over tiredness which is the result of exertion. For this tired condition brings its own compensation in sound, refreshing sleep. But when a woman is always tired; when she awakens in the morning from her dream disturbed slumbers as tired as when she went to bed, her tired feeling is a symptom of ill-health. The languid weariness so many women feel is not consistent with a healthy condition and is often the forerunner of serious womanly disease.

Generally the woman who feels tired and worn-out all the time is advised to try some simple tonic which can do no more good than act as a temporary stimulant. The woman's need is deeper than this. There is a cause for the weariness, and until that cause is removed her condition cannot be permanently improved. The common cause of a woman's weakness and weariness is to be found in some disorder or disease affecting the delicate womanly organism. Irregularity alone is enough. But add to this a weakening drain, the fever of inflammation or the corroding of ulceration, and there is at once a sufficient cause for all her languor and weakness. For, generally, the woman who feels constantly tired feels weak also. She feels weak because she is weak. Disease is eating up her strength.

The first step toward health and strength is to cure the womanly diseases which waste and weaken the body. Dr. Pierce's Favorite Prescription cures these womanly diseases; it makes weak women strong and sick women well.

"Four years ago my health began to fail," writes Mrs. Nellie M. Reycraft, of Glenwood, Washington Co., Oregon. "I had a heavy dragging and weight in the region of the uterus, pain in back and loins, could not lift anything heavy, rest at night very poor; stomach deranged. One physician said I was overworked, another said I had congestion and falling of uterus. He treated me nine months and said I would not be well until I had passed the change of life. I was only twenty-seven years old then. I became discouraged, and began using Dr. Pierce's Favorite Prescription. Took a teaspoonful three times a day; began feeling better right away. Have used the third bottle, and feel I am in good health. Dr. Pierce's Favorite Prescription has restored me to health. If suffering women would give it a fair trial they would give it praise."

Dr. Pierce's Favorite Prescription makes women strong and well by perfectly and permanently curing the womanly diseases which sap the strength and drain the vitality. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

As a tonic and nerve for weak, worn-out woman "Favorite Prescription" is unexcelled. Its effects are promptly apparent, in increasing strength, a healthy appetite, and sound restful sleep. It is especially valuable to mothers weakened by maternity, and unable to regain the lost strength.

"I think Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' the best medicines in the world," writes Mrs. Amelia Dougherty, of Kerrigan, Wayne Co., Mo. "I gave birth to a baby last summer. After confinement I became very ill, had the best physician that could be got, and he diagnosed my case as womb trouble, tending to dropsy. Medicine seemed to do me no good. I lingered between life and death for quite a while, every day growing weaker until I could not walk across the room. My friends were looking for my death every minute. A friend wrote and told me about Dr. R. V. Pierce, and I at once wrote to him for medical advice. He replied immediately, giving me full instructions as to what to do. I at once followed his advice, and when I had taken his medicine about a week I felt a good deal stronger. When I had taken it about one month I felt as strong as I do to-day. I took four bottles of each kind and two vials of 'Pleasant Pellets.' Many thanks for the medicine. It has permanently cured me."

Reference is made in the letters printed above to correspondence with Dr. Pierce. This privilege is open to every sick woman without cost or fee. Dr. Pierce invites any suffering women to consult him by letter, free. All correspondence is strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

The offer of free consultation by letter, made by Dr. Pierce, should not be to be confused with spurious offers of "free medical advice" made by irresponsible people who are without medical education and knowledge, and are legally and professionally disqualified for the practice of medicine.

In a little more than thirty years, Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., assisted by his staff of nearly a score of physicians, has treated and cured hundreds of thousands of weak and sick women.

Sometimes a dealer, tempted by the little more profit paid on the sale of less meritorious medicines, will offer the customer a substitute as being "just as good" as the "Favorite Prescription." It is better for him because it pays better, but it is not as good for you, if you want the medicine that has cured others, and which you believe will cure you.
